

ISOLATION AND QUARANTINE GUIDANCE January 2022

The Hawai'i Department of Health (DOH) is revising the state's COVID-19 isolation and quarantine policies to closely align with recommendations made by the Centers for Disease Control and Prevention (CDC). These changes are effective Monday, January 3, 2022 for all DOH directed isolation and quarantine.

If COVID-19 positive regardless of vaccination status

- Isolate for at least 5 days **and** until symptoms are gone.
- Continue to wear a mask for five days after isolation.

What should I do if I start to feel ill while staying at the hotel?

- Recommended to isolate from others and get tested for COVID-19.
 - Complete list of testing sites found at: <https://www.mauinuistrong.info/covid19-info-testing>
- Wear a mask that covers your nose and mouth if you need to be around others.
- Inform your Group Contact of the situation, and the Hotel as a courtesy.
- Monitor your symptoms.

What should I do if I test positive for COVID-19 while staying at the hotel?

- Isolate in your Guest Suite.
- Inform both your Group Contact and the Hotel (dial '0' to reach the Front Office or ext.# 899 – Manager on Duty)
- Hotel will extend your stay for at least five (5) additional nights; charges for these additional nights will be at the expense of the guest.
- You must quarantine in your suite until **both** the five days have past **and** you don't have any symptoms.
- The hotel staff will not be able to enter your room once you are ill. We are happy to deliver any food or items you may need (ex: towels, toiletries) outside of your suite door at any time.
- Continue to monitor your symptoms.

What about the people I am sharing a room with and are considered close contacts?

If exposed to COVID-19

- A. If **Boosted**, or fully vaccinated within past six months (or within past 2 months if J&J)
 - No need to quarantine
 - Wear a mask for ten days
 - Get tested on day five

- B. **Neither boosted nor fully vaccinated**
 - Quarantine for five days
 - Wear a mask for five days after quarantine
 - Get tested on day five

Getting Medical Help

- If you are in need of medical help (e.g., trouble breathing, chest pain) contact the **Hotel's Emergency Line at #444** and the hotel will ensure the appropriate help is on the way.
